a Lesson in the University of The New Covenant

Theodore Cottingham, November 26, 2004, Tape 66_4 10:00 a.m., at Table Rock Lake

www.unc.bz

1. Where are My people that are thankful? Where are My people that are thankful for Me? Where are My people thankful that I have given them life? Where are those that can see Me, those that can say My name in love, kindness, tenderness and respect and even come to me and ask Me knowing what they are there for? I love you.
2. I love you and I give you Me and I give you all of Me and I withhold nothing from Me, evermore, nevermore will I hold/withhold anything from you that I am. I am Me and you must grasp this deeply, deeply, deeply to walk in Me in the depths of My core, where I ask you to come and come and be one with Me, one with Me, one with Me.
3. The wind rustles and blows and there is so much change; placid are the waters so beautiful, seemingly so placid yet undercurrents of Me and angers and putrid spirits seek to disengage the lovely and the truth from Me; and **wars ensue, battles rage, you are at the center, My friend, the center.** I love you.
4. Be strong and courageous and be one in only Me and know that I come and I call and I conquer and I am thankful for you. And I am thankful that you came through Me. I gave you life, you came through Me, you are My seed, you sat at My table and you sit at My table every day when you come. When you come and you call and you conquer the clock, you conquer time. And you conquer space unknowingly, knowingly, and limit Me not in how now I am maximizing your potential in Me; to maximize the potential of My boys, My girls, My lambs, My ewe lambs, My little lambs, My tiny ones that will hear Me and accept Me and see Me and feel Me and become Me. I love you.
5. I love you and onto the water I walk you now doing things you never dreamed you could do, doing things you never dreamed I would do, doing things you never dreamed a human being would do in My Spirit, in My love, in My power; second only to Me, second only to Me, My body, My friends who I call up to Me, who I call to conquer the clock, who I call to come to Me in thanksgiving and thankfulness of life: Thankfulness, thankfulness, thankfulness. I love you.
6. Now I give you trees of righteousness. I give you trees, mighty oak mighty of Me, mighty terebinth tree, mighty olive, mighty of My mighty, My Many coming forth.
7. I give you Me and I give you placid waters in war. I give you placid not seemingly, but placid in peace, the peace of purity and the purity of peace, peace with Me, peace in Me, peace with My all about that can come only in Me. I love you and I give you Me.
8. **Now start, start, start and pray Me, pray Me, image Me more, and what you have, what you are and let not your mind be satisfied in less than My mind.** I love you. I love you. I love you.
9. My winter comes, solstice not.

10. But engaging Me in peace, My peace driven warriors who love now I do, love now I will, even more so as come and call they do. And **conquer the clock**, **conquer time and space**, conquer un-thankfulness, conquer their five senses and the protrusions that appear so powerful on other's foreheads which have no place in Me.

11. I am Peace, I am God, I am The Father, I am The Son, I am One, and I am you are. I am I Am, I am I Am and this day My Son shines forth; My Son, My blazing rays, the blazes are My name on My foreheads. I love you.

12. There is no ashamedness in Me. I love you and I give you Me. And I give you water, pure water, the purest water ever. Pure water of Me, coming, calling, conquering, revealing Me. I love you.

13. I love you and I let you not down. I let you not down now, I raise you up, I raise you up; I raise you up to see what you see Me doing, to say what you hear Me say, to be placid across all waters but purified and anchored in peace that comes from only Me. Arising, arising My Priesthood, arising My clock-conquerors, arising My peace warriors who rocks are in Me. I love you and I give you Me.

14. I give you bridges now into every land, every people, every tongue and every tribe, every nation. Of Me, of Me see, of Me see, see Me and what I am doing and how I am doing these things and how I am sharing My Me with you. And your thankfulness, your gratefulness, your absolute belief; disbelief, unbelief conquered; non-sharing with My truthfulness now which comes forth in only Me. I love you and I give you Me.

15. I give you boats, ships, yachts, fleets, armadas of only Me and ways to see Me that you have never seen; opening your eyes in disbelief diminished, demised, declared dead, actualized not, made non-existent; displaced in Me, in truth, in time with Me where I forestall not but give you My all. I love you. I love you.

16. Sonshine, My Son, My Sonshine in My rays of only Me which hurt not but give My all. I love you. I love you and I give you Me.

17. Thank you for your thankfulness for Me. Thank you for the value you place upon My words, the value you place upon My people, thank you for every human being that you give thanks for: My all. My all. They all. You all. Everyone have come through Me.

18. Now see Me and walk in the fullness that I am. Walk in the fullness that I have given **and receive the promise. Receive the promise, maximum potential in Me. I am you are,** walk all of Me.

19. Live Me in My fullest in the now, in the now, wherever you are and in every time, space and dimension whereof I speak, I take you, I let you be Me. I love you and I give you My fullness and I complete now My work, conquered on the Cross. Revealing the revelatory truths which now engage My Mighty Many and disengage the disbelieving. The timid and shy stroke and struggle and must come to grips with who they are, where they came from, and where I am taking them. And some will receive and reunite and some will reject and forfeit such beauty, elegance, splendor, walking in My authority as drink offerings before Me.

20. Fear not those who would so ferociously tear at My flesh, at My body, at your body, and wield no strength in your own might, resisting in only Me, letting Me speak, letting Me forestall, letting Me raise My hand to stop any foe in force, physics of only Me. I love you.
21. Enjoy My day, My waters, My people, (laughter) My "special deals," My "special meals," My times with you, My family your family, one family. Yea, I love you so deeply.
22. I come and I call and I continuously answer your questions now as you continually to press into My love and yield to Me your members all. Have thine own way, have your way with Me Lord. Thank you. Thank you.
23. I address now, I redress not. I come and I call My thankful who thankful are, who thankful walk in My fullness now and increasingly reflect Me. Reflect Me.
24. Lunamonds of only Me. I love you.
25. Enjoy My fun, enjoy My individuality in you, through you; your individuality coming through My meekness, My thankfulness, weakness none, completeness complete. I love you, I give you Me.
26. I give you now as far as your eye can see and farther, so much farther. Now, Ted, what you can fly over, not just see, not just walk over, but fly over. I give you Me. Your thankfulness grows, your thankfulness so appreciated, your thankfulness pre-requisite in Me, your thankfulness tangible, your thankfulness fountain-heading now many fountains for I show you increasingly what thankfulness is, what it does, how it operates, how it's part of Me, how vital a necessity, pre-requisite in Me. I will teach you thankfulness complete. I love you.
Amen
